ABOUT US

Since 1961, FIXOGRAPH® has been the leader in the field of visual communication and display systems. Whether the requirement is for indoor or outdoor visual display, complete range of products come from FIXOGRAPH DISPLAY SYSTEMS.

Our products are meant to improve efficiency in schools & colleges, banks, shops, sales & marketing offices, hotels, homes, and virtually anywhere & everywhere.

Superior to conventional display aids, FIXOGRAPH is an in-house concept and manufacturing hub of Visual display that includes basics like black boards, white boards, notice boards, changeable boards, magnetic boards, and goes upto all latest display systems.

FIXOGRAPH is a brand, manufactured by Hemu Products, Mumbai (India). As a company, we are totally committed to supreme quality and full range of Display Systems & Display Boards, and this is reflected in all our offerings.

It would be our pleasure to discuss this field with you in greater detail.
